## COMPANY OVERVIEW

# About Us

*A specialized sweater manufacturing partner within Bangladesh's export-oriented RMG ecosystem*

Flourish Ventures Limited is a 100% Export-Oriented Sweater Manufacturing Factory sweater flat knitting manufacturer based in Gazipur, on the outskirts of Dhaka, Bangladesh. The company operates on STOLL flat knitting machines, supplying export-oriented garment manufacturers with high-quality knitwear production capacity.

Built around disciplined operations, a structured management system, and continued investment in modern technology, Flourish Ventures is positioned as a dependable production partner within Bangladesh's ready-made garment (RMG) export ecosystem.

## MANUFACTURING CAPABILITIES

# Machine Park by Section

### Winding Section — 10 Sets

- 2 Auto Winding Machines — 12 spindles
- 4 Auto Winding Machines — 6 spindles
- 4 Auto Part Opener Machines — 3 spindles
- Supports efficient yarn preparation before knitting

### Knitting Section — 126 Sets

- STOLL computerized flat knitting machines
- 1 machine — 3 GG | 55 machines — 5/7 GG
- 46 machines — 12/14 GG | 24 machines — 14 GG
- Wide gauge range for varied sweater constructions

### Linking Section — 36 Sets

- 1 Dial Linking Machine — 3 GG
- 30 Dial Linking Machines — 6/8/12/14 GG
- 5 Dial Linking Machines — 16 GG
- Garment panel linking across multiple gauges

## MANUFACTURING CAPABILITIES

# Finishing, Utilities & Facility Layout

### Finishing & Garment Assembly

- Hydro Extractors: 80 kg & 40 kg
- Drying Machines: 50 kg & 50 kg
- 10 Vacuum Steam Irons
- JUKI Overlock & Sewing Machines
- Automated Buttonhole, Button Stitch & Bartack Machines
- Flatlock and Eyelet/Snap Button Machines
- Needle Detector for product safety & quality control
- Checking Lamps & Light Box for shade inspection

### Utility & Power Support

- 150 kg Gas Boiler | 40 kg Electric Boiler
- 88 KW Generator | 220 KW Generator
- Reliable steam & backup power for operations

### Facility Zones (≈30,000 SQF)

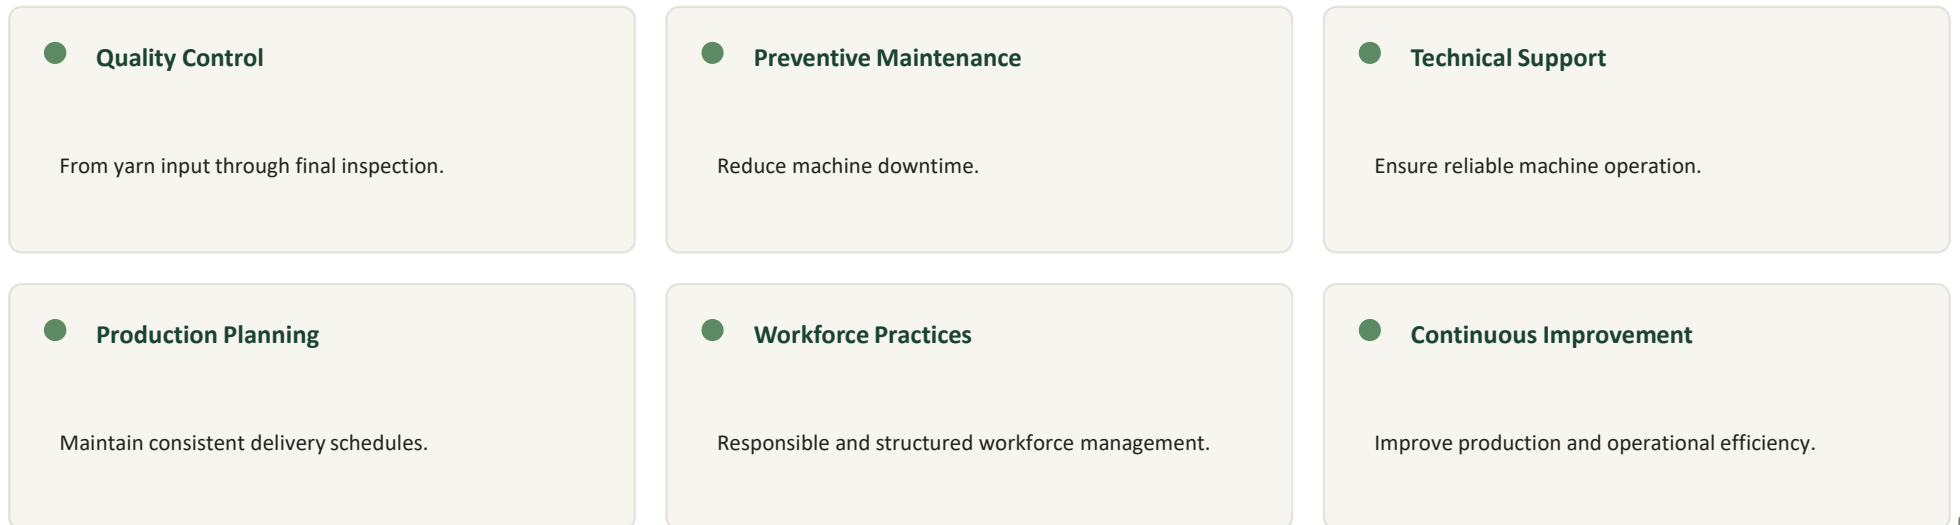

Knitting • Linking & Finishing • Quality Control • Raw Materials Storage •  
Finished Goods Warehouse • Administration, HR & Canteen • Washing •  
Supporting Utilities
